

South Mountain District Fall Camporee

September 15, 16, 17

Akelaland (Trexler Scout Reservation)

First Steps into High Adventure

Does your troop have Scouts, and their parents, that just finished their first summer camp? Would you like to help them get ready for the next step?

Come up to Akelaland and spend the morning learning basic skills that are used in High Adventure activities everywhere. Then, while at Akelaland, put them to use by cooking your own trail meal for lunch. Food for lunch will be provided as part of the camporee. Please indicate any food allergies when registering.

Then for the evening meal make your best budget-minded dinner. Anything you want, as long as:

- The entire meal is cooked at your site. (No pre-cooked meats, etc.)
- You bring all you need to prepare your meal.
- You stay within a budget of \$7.00 per person.
- You bring your written recipe to share!

High Adventure Skills:

- Cooking and Cleanup
 - Lightweight stove cooking
- Water purification
 - Boiling
 - Filtering
 - Chemicals
- Setting up a trail camp
 - Critter-proofing a campsite
- Map, compass and getting un-lost
- Gear selection ideas
- Packing to stay dry

Signup by Friday, September 8th, and be sure to indicate any food allergies or other dietary requirements.

Trail meals for lunches and patches will be provided for all registered participants.

Cost: \$10 per person.
